LPE Awarded Prime 8(a) Contract to Support Indian Education Grant Programs

LPE Associates, Teamed with Subcontractor Manhattan Strategy Group (MSG), Wins Prime 8(a) Contract to Support Grant Review Competitions for the Office of Indian Education at the U.S. Department of Education

(Baltimore, Maryland, January 19, 2022) LPE Associates is working in support of the Office of Indian Education (OIE) to further the goal of improving educational opportunities for Indian children and youth. Teamed with subcontractor MSG, LPE is providing analysis, report writing, logistical services and administration for OIE grant review competitions. The LPE/MSG team is also providing technical services in the processing of grant applications, management of peer reviewer systems, coordination and execution of meetings, and the conduct of virtual events.

Ezra Bourne, President and Owner of LPE, stated: "This is an exciting opportunity to showcase the full array of LPE's professional services. Combined with our experienced and capable teaming partner, MSG, we are contributing directly to the successful implementation of OIE's grant management programs and, in turn, achieving improved outcomes in educating Indian children."
